What's New for Mother's Day

Three-Stone Diamond Jewelry... *A Loving Gift* For Mothers of All Generations

For grandmothers, mature mothers, and young mothers, too, three-stone diamond jewelry is not only a loving gift, it's also a timeless gift to treasure and pass on generation after generation.

Each trio of sparkling diamonds is a glowing tribute to the past, present, and future...three of every family's most significant stages in life.

So, this year, give the gift that's sure to capture any mother's heart regardless of age. Beautiful and brilliant pure white diamonds are the most desired of all gems. And three-stone diamond jewelry comes in a wide range of elegant styles to bring a smile to any mother's face.

Choose from many styles set in either white or yellow karat gold or stunning platinum. You can also select three-stone diamond jewelry in an exciting array of glittering cuts such as round, oval, square princess, marquise, emerald, or heart shapes.

Come in soon and let us show you our selection of three-stone diamond jewelry for the special lady in your life.
